### **Biography**

I grew up in and was educated by New York City. In the early sixties I attended the High School of Music and Art. In 1968, I had a short educational sojourn at Marlboro College in Vermont and in 1983 graduated with honors from Smith College in Northampton Massachusetts with a triple major in Art, Writing and Biology.

Since then I have lived, worked and made art in New England, Montana and New Mexico. My daughter Gabrielle and my two grandsons, Julian and Adrian Martinez live in Santa Fe, New Mexico.

Over the years I have explored painting, printing, sculpture and the book arts. Since 1996 I have worked with various digital media.

In 2002, my partner Frank Ragano and I founded the video arts production company *parallel studios* which has curated and produced the *Currents* video exhibits.
